ASCI/AAP Joint Meeting

2004

American Society for Clinical Investigation
and Association of American Physicians

Jointly Sponsored by FASEB

April 16-18, 2004

Fairmont Hotel Chicago

Chicago, Illinois

ASCI/AAP 2004 JOINT MEETING

ASCI New Member Reception & ASCI Dinner

On Friday, April 16 at 6:45 PM, the ASCI New Member Reception honors and welcomes new members into the ASCI. This event will take place in the Moulin Rouge and all attendees of the ASCI/AAP Joint Meeting are welcome. The ASCI Dinner follows at 7:45 PM in the Imperial Ballroom. The dinner will feature a talk entitled, "The Diffusion of the Scientific Spirit" presented by Barry S. Coller, MD, of Rockefeller University. Tickets for the ASCI Dinner, to which all meeting attendees are welcome, are \$25 per person and may be purchased at the ASCI Membership Desk.

AAP Reception & Dinner

On Saturday, April 17, 2004, the AAP Annual Reception and Dinner will be held in the Imperial Ballroom. The reception will begin at 7:00 pm in the Imperial Foyer followed by dinner at 8:00 P.M. Tickets for this exciting event are available for purchase at the AAP Membership Desk located in the International Foyer. Robert J. Lefkowitz, MD, of Duke University will present, "How to Succeed in Mentoring Without Really Trying". This dinner is open to AAP membership only.

Presidential Dessert Reception

Saturday, April 17, 2004
10:00 P.M. - 12:00 A.M.

All attendees of the ASCI/AAP 2004 Joint Meeting are invited to attend the Presidential Dessert Reception. A spectacular array of assorted pastries, sweets, fruits and cheeses in addition to gourmet international coffees, cordials and wines will be served. This event offers all attendees the opportunity to visit with colleagues and meet new professionals in the field of science and medicine.

ASCI/AAP 2004 JOINT MEETING

April 16-18, 2004 • Chicago, Illinois

To aid the ASCI/AAP Joint Program Committee in evaluating the effectiveness of this educational activity, please take a moment to complete this evaluation form and return it to the registration desk at the end of the conference.

If you wish to receive CME credits, you must return this form.
Please provide the demographic information requested below. Check all that apply.

1. Degree:
a. MD b. PhD c. Other _____

2. Subspecialty: _____

3. I am a member of:

a. ASCI and AAP b. ASCI c. AAP d. Non-member e. Trainee

Using the following scale:

A=Exceptional	B=Above Average	C= Average	D= Below Average	F=Poor
---------------	-----------------	------------	------------------	--------

Please grade how well this symposium helped you to:

4. Understand issues related to innate immunity and its role in health and disease	A	B	C	D	F
5. Gain insights into the advances in translational research and the needs of the clinical investigator	A	B	C	D	F
6. Understand biomedical research advances with particular emphasis on their ability to improve medical care	A	B	C	D	F
7. Gain insights into diabetes and obesity	A	B	C	D	F

Please rate the quality of each session you actually attended:

8. CR 2004 Trainee Plenary Session - Overall	A	B	C	D	F
9. ASCI/AAP Scientific Plenary Sessions - Overall	A	B	C	D	F
10. New Member Presentations - Overall	A	B	C	D	F
11. Poster Session	A	B	C	D	F
12. ASCI Award Recipient Lecture	A	B	C	D	F

Meeting Objectives

This meeting is targeted to physician-scientists, research scientists, clinicians and medical education professionals. At the completion of this meeting, participants will be able to:

- Understand issues related to innate immunity and its role in health and disease;
- Gain insights into the advances in translational research and the needs of the clinical investigator;
- Understand biomedical research advances with particular emphasis on their ability to improve medical care; and
- Gain insights into diabetes and obesity

CME Information

The Federation of American Societies for Experimental Biology (FASEB) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor CME activities for physicians. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (CME) through the joint sponsorship of the FASEB and the ASCI and the AAP. The Federation of American Societies for Experimental Biology designates this educational activity for a maximum of 13 hours in category 1 credit towards the AMA Physician's Recognition Award.

Each physician should claim only those hours of credit that he/she actually spent in the educational activity. Your CME certificate and meeting evaluation form can be found in the back of this program book. The forms must be completed and returned to the registration desk by 12:00 P.M. on Sunday, April 18th, or mailed to FASEB at the address indicated on the CME certificate.

Poster Sessions

The Poster Sessions are an important educational event of this meeting. We hope you support and attend these scientific presentations. All poster sessions will be held in the Imperial Ballroom on the lower level of the Fairmont Hotel. Posters can be viewed during the following times:

Session I
Friday, April 16, 2004 7:45 PM - 9:45 PM

Session II
Saturday, April 17, 2004 12:30 P.M. - 2:00 P.M.

Poster Session I is being held in conjunction with the ASCI Dinner. Presenters are not required to attend this session.

Poster Session II is being held in conjunction with the Saturday afternoon lunch. Presenters will be present during the entire session from 12:30 PM - 2:00 PM

Poster Set Up

Poster set up is from 1:00 PM - 3:30 PM, Friday, April 16, 2004, in the Imperial Ballroom. Presenters should check in with registration and then proceed to the Imperial Ballroom. Push pins can be obtained at the registration desk. Posters are to be removed immediately following the Saturday afternoon session at 2:15 PM. Any posters left on the boards will be removed and can be picked up at the registration desk. Any posters not picked up by the end of the meeting will be discarded.

Trainee Best Poster Awards

Three Trainee Best Poster Awards will be awarded in the amount of \$1,000 each. Posters will be judged by Council Members of the ASCI and the AAP based on scientific novelty, quality, and clarity of presentation. Awards will be presented on Sunday, April 18, at 10:00 AM in the International Ballroom.

ASCI Membership Desk

Visit the ASCI membership desk in the foyer of the International Ballroom to purchase tickets for the ASCI Dinner scheduled for Friday, April 16th, at 7:45 PM and to pick up other Society information.

AAP Membership Desk

Visit the AAP membership desk in the foyer of the International Ballroom. The AAP Staff will be there to greet you and assist with signing the AAP attendance book, balloting, and purchasing tickets for the AAP Annual Reception and Dinner scheduled for Saturday, April 17th.

Registration Hours

Friday, April 16th 1:00 PM - 6:30 PM
Saturday, April 17th 7:00 AM - 5:30 PM
Sunday, April 18th 7:00 AM - 11:30 AM

Speaker Ready Room

The speaker ready room is located in the Embassy Room

HOURS:
Friday, April 25th 1:00 PM - 4:30 PM
Saturday, April 26th 7:00 AM - 5:00 PM
Sunday, April 27th 7:00 AM - 10:00 AM

Please be sure to check in with an audiovisual technician at least 4 hours prior to your presentation

CME Credit Form

Please complete the attendance and evaluation records for each session. In the right hand column below, grade each session as excellent, good, average, poor, and make comments where appropriate. All scientific sessions, including plenary sessions, workshops and poster sessions qualify for Category 1 Credits on an hour-for-hour basis. Claim only those hours for which you were in attendance at a session.

Date	Session	No. Hours Available	No. Hours Attended	Evaluation
Friday	CR 2004 Plenary Session	2.5		
	ASCI Dinner Presentation/Poster Session	1		
Saturday	Advances in Translational Research	2		
	New Member Presentations	2.5		
	Poster Session	2		
	Innate Immunity in Health and Disease	2		
	ASCI Presidential Address	.75		
	AAP Dinner Presentation	1		
Sunday	ASCI Award Recipient Lecture	.5		
	AAP Presidential Address	.5		
	Kober Medal Presentation	.75		
Total Hours Available		13.0		
Total Hours _____				

Remember the maximum number of Category 1 credits for the Meeting is 13 hours. If your hours exceed 13, you will only receive credit for 13.

1. In general, at this Meeting, (please check appropriate responses):

- The material presented was new.
- The presentations were a good review of established knowledge.
- The presentations dealt with established knowledge and did not provide new insights and/or cover the material thoroughly.

2. Was the audience allowed to ask questions following each session?

- Yes No

3. My objective in attending this Meeting included:

- Learning of the newest advances in molecular pathology.
- Learning about new techniques and work in the basic sciences.
- Presenting an abstract.
- Keeping up with all phases of experimental research.

4. My objectives were fulfilled.

- Yes No

5. Other Comments:

Executive Director
Federation of American
Societies for Experimental Biology

ASCI/AAP 2004 JOINT MEETING

April 16-18, 2004 • Chicago, Illinois

The Federation of American Societies for Experimental Biology has made arrangements for all physicians registered for the Meeting (members and non members) to be eligible for CME Category 1 Credits. As an institution accredited to award credits for Continuing Medical Education, the Federation certifies that this Meeting meets the criteria for up to 13.0 credit hours in Category 1 of the Physicians Recognition Award of the American Medical Association.

If you wish to receive Category 1 credits on an hour-for-hour basis, you must complete both sides of this application and return it after the meeting to the Registration Desk or mail it to:

FASEB CME
Office of Scientific Meetings and Conferences
9650 Rockville Pike
Bethesda, MD 20814-3998.

This CME application is your certificate of the hours awarded.

BE SURE TO SIGN AND DATE THIS APPLICATION BELOW.

Please print or type your full name and complete mailing address in the box below.

Friday, April 16, 2004

1:00 PM - 6:30 PM Registration
International Ballroom Foyer

2:30 PM - 3:30 PM Trainee Welcome Reception
Regent Room
(Registered trainees welcome)

The following sessions will take place at the Hyatt Hotel in conjunction with Clinical Research 2004

4:00 PM - 6:30 PM CR 2004 Trainee Plenary Session
Chairs: Richard Galbraith, MD, PhD and Jane E.B Reusch, MD
Regency Ballroom

4:00 PM NIH Roadmap for Medical Research
Elias A. Zerhouni, MD
National Institutes of Health

4:30 PM CR 2004 Outstanding Junior Investigator Award Winner Presentation
Epidemiologic and Clinical Determination of Maternal and Fetal Compartment
Inflammation in Preterm Births
Morrish Gupta, MD
Harvard Medical School

4:30 PM CR 2004 Trainee Abstract Presentations

The following sessions will take place at the Fairmont Hotel

6:45 PM ASCI New Member Reception
Introduction of New ASCI Members
Moulin Rouge

7:45 PM ASCI Annual Dinner
"The Diffusion of a Scientific Spirit"
Barry S. Collier, MD, Rockefeller University
Poster Viewing
Imperial Ballroom

Saturday, April 17, 2004

The following sessions will take place at the Fairmont Hotel in the International Ballroom unless otherwise noted

7:00 AM Coffee Service

7:00 AM - 7:45 AM ASCI Institutional Representative's Retreat
Ambassador Room

8:00 AM - 10:00 AM Advances in Translational Research - A Joint Session with CR2004
Chairs: Kenneth Kaushansky, MD and Ralph Snyderman, MD

8:00 AM Unraveling the Cellular Mechanisms of Insulin Resistance
Gerald I. Shulman, MD, PhD
Howard Hughes Medical Institute
Yale University School of Medicine

8:30 AM Stem Cell Therapy: Leveraging Nature's Therapeutic Potential
H. David Humes, MD
University of Michigan

Saturday, April 17, 2004

9:00 AM	New Genetic Pathways and Model Systems for Heart Disease Kenneth Randall Chien, MD, PhD University of California, San Diego
9:30 AM	Translating from Bedside to Populations Robert M. Califf, MD Duke University School of Medicine
10:00 AM - 10:30 AM	Break
10:30 AM - 12:30 PM	ASCI and AAP New Member Presentations Chairs: Chi Van Dang, MD, PhD and Michael J. Welsh, MD
10:30 AM	Molecular Pathogenesis of Multiple Myeloma: The Basis for Targeted Therapy Peter Leif Bergsagel, MD Weill Medical College of Cornell Medical University
10:50 AM	New Developments Against Chloroquine-Resistant Malaria Thomas E. Wellems, MD, PhD National Institute of Allergy and Infectious Diseases, NIH
11:10 AM	Immune Evasion in KSHV Tumorigenesis Yuan Chang, MD University of Pittsburgh
11:30 AM	The Phagocytic Pathway Steven Greenberg, MD Columbia University
11:50 AM	Invertebrate Models of Fat Biology Jonathan Michael Graff, MD, PhD The University of Texas Southwestern Medical Center
12:10 PM	Understanding Racial Differences in Access to Renal Transplantation Arnold Epstein, MD, MA Harvard University
12:30 PM - 2:00 PM	Poster Session with Lunch Imperial Ballroom
2:15 PM - 4:15 PM	Innate Immunity in Health and Disease Chairs: Tadataka Yamada, MD and Leonard I. Zon, MD
2:15 PM	Regulating the Balance Between Innate Immunity and Inflammatory Disease Richard J. Ulevitch, PhD The Scripps Research Institute
2:45 PM	On the Front Line of Immune Defense: Natural Interferon Producing Cells Marco Colonna, MD Washington University
3:15 PM	Toll Like Receptors: First Responders to Bacterial and Viral Infections Douglas Golenbock, MD University of Massachusetts Medical School
3:45 PM	Integrin Signaling in Leukocyte Trafficking Mark H. Ginsberg, MD The Scripps Research Institute
4:15 PM - 4:30 PM	Break

Overall Evaluation

Please grade the following:

13. Overall conference	A	B	C	D	F
14. Degree to which your educational objectives were met	A	B	C	D	F
15. Practical application to your research	A	B	C	D	F
16. Opportunity for discussion, comments, questions and exchange of information	A	B	C	D	F
17. The audiovisual (quality of sound, viewing of AV materials)	A	B	C	D	F
18. Length of conference and meeting format	A	B	C	D	F
19. The meeting space (general physical environment of meeting room)	A	B	C	D	F
20. The hotel	A	B	C	D	F
21. The hotel staff	A	B	C	D	F
22. The conference staff	A	B	C	D	F
23. How well were full disclosure/conflict of interest statements communicated to you?	A	B	C	D	F

Please answer the following questions:

24. Based on your observations was the content of the educational activity scientifically sound?	Yes	No	
25. Based on your observation was the content of the educational activity free of commercial bias?	Yes	No	
26. If, during the educational session, faculty spoke about off-label uses or an investigational use for a product, was that information disclosed to the audience?	Yes	No	N/A

Fill in the blanks:

28. What did you like most about the conference?

29. What did you like least about the conference?

30. General Comments: _____

Faculty participating in CME activities sponsored by FASEB are expected to disclose to the audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Disclosure forms are available to registrants at the registration desk.

Scheduled speakers for this activity have provided the following information:

- A. stock options or bond holdings in a for-profit corporation or self directed pension plan
- B. research grants
- C. employment (full or part-time)
- D. ownership or partnership
- E. consulting fees or other remuneration
- F. non-remunerative positions of influence such as officer, board member, trustee, spokesperson
- G. receipt of royalties
- H. speakers bureau
- I. other
